This is my first bass/fishing boat. I know nothing about the livewell system, trolling motor system and an outboard in general. My experience in boats has been jets and an inboard ski boat. I'm mechanical enough to figure most things out but figured an owners manual would shorten the learning curve considerably.

Re: Live well switch for 1988 bass tracker? Your boat does not have an odometer. It has a "speedometer". The water pressure gauge and speedometer are both water pressure devices and very likely are not in need of replacement. Both have a plastic tube leading to the engine (water pressure) and to the pitot (speedometer).

Doug and Brenda Dawson have a library of thousands of old boat brochures, but do not have any owner's manuals. Most boats didn't come with manuals. None of the boat builders produced an owner's manual in the early years and only a few did in the more recent years; but they were very limited in information and quite generic to either the whole boat line or boating in general.
