### Manual

In this manual, you as a pilot, will learn about main flight concepts and how the A320 works during normal and abnormal operations.

This is not a technical manual about systems, it's a manual about of flight philosophy. This manual is based on the original Airbus manual called "The Flight Crew

# Online Library

## A320 200

Training Manual which is published as a supplement to the Flight Crew Operating Manual (FCOM) and is designed to provide pilots with practical information on how to operate the Airbus aircraft. It should be read just like a supplement and not for real flight. In this case refer to the original FCOM from Airbus.
