A guide to the failings of Windows 98 explains how to customize the system so as to avoid the inconvenience of software applications that overwrite file associations, repetitive warning screens, and unused icons crowding the desktop

During that first half of May, security officers coming from the North intensified their investigation into the whole lot of my alleged blood-debts. Day and night, they were never at all tired of accusing me on proofs of sin-commitment archived by their secret agents, the uncovered comrades working so long ago for them inside RVN Governments at all levels. David KOLZION takes you into a world of political intrigue, violence, and redemption with his unforgettable autobiography Memoir 1975-2005. KOLZION was a lecturer at the Dalat University in Vietnam when the Communists took over Dalat city in March of 1975. Immediately put under the Communists' strict surveillance for an undetermined amount of time, KOLZION endured their severe investigation into his alleged blood-debts against the Vietnamese people. KOLZION escaped from Dalat in 1980 and then from Vietnam ten years later. He was a political refugee at the Galang Refugee Camp of Indonesia from 1990 to 1993. In 1993, he became a permanent resident in Australia and then renamed himself KOLZION in 1994. Full of intriguing and historical details, Memoir 1975-2005 will captivate your spirit.

Having been but a tiny piece of 'rock', taken out of all sorts of men's 'paradises' to be hewn by my YHVH-God's fingers under his Sovereign Rulership, I was taught lots of things during my three-and-a-half-year stay on Pulau Galang-the Blue Paradise's Gate. Beyond the Tombs is a three-book compilation of previous works from author David Kolzion, a former university lecturer in Vietnam. A refugee from Vietnam and Indonesia, Kolzion came to Australia in 1993. The Voice of God's Rock tells of his thirty-year spiritual journey that spans three countries of refuge from 1975-2005. His unforgettable autobiography, Memoir 1975-2005, is full of intriguing and historical details from the last thirty years of his life. Kolzion's As the Wind Blowing forms an appropriate closure in this postmodern world of political intrigue, military violence, and global terrorism. Beyond the Tombs combines all three books and becomes a spiritual concerto to those children "risen out of rocks for Abraham". For over twelve years, Kolzion has intensely studied the ancient Hebrew scriptures and offers his wisdom to enlighten those hungry for fulfillment.

What happens when the creatures of the sea take Peter Alan up on his offer? Something fishy, of course! At first, their visit is all fun and games, but then, things really start to get out of hand? Watch out for a bucking bull shark at the rodeo, the invasion of a slimy school of fish, and many other playful pictorial puns hidden in these striking, surrealistic illustrations. An endpaper identifying over 30 species of fish appearing in the book is an educational bonus. Here is a fantastic flight of fancy that every child will savor, with a subtle message: Be careful what you wish for!

CLICK HERE to download sample native plants from Real Gardens Grow Natives For many people, the most tangible and beneficial impact they can have on the environment is right in their own yard. Aimed at beginning and veteran gardeners alike, Real Gardens Grow Natives is a stunningly photographed guide that helps readers plan, implement, and sustain a retreat at home that reflects the natural world. Gardening with native plants that naturally belong and thrive in the Pacific Northwest's climate and soil not only nurtures biodiversity, but provides a quintessential Northwest character and beauty to yard and neighborhood! For gardeners and conservationists who lack the time to read through lengthy design books and plant lists or can't afford a landscape designer, Real Gardens Grow Natives is accessible yet comprehensive and provides the inspiration and clear instruction needed to create and sustain beautiful, functional, and undemanding gardens. With expert knowledge from professional landscape designer Eileen M. Stark, Real Gardens Grow Natives includes: \* Detailed profiles of 100 select native plants for the Pacific Northwest west of the Cascades, plus related species, helping make plant choice and placement. \* Straightfoward methods to enhance or restore habitat and increase biodiversity \* Landscape design guidance for various-sized yards, including sample plans \* Ways to integrate natives, edibles, and nonnative ornamentals within your garden \* Specific planting procedures and secrets to healthy soil \* Techniques for propagating your own native plants \* Advice for easy, maintenance using organic methods
