Altec - LRIII - Circular Boom Cover (96" Length) Material: Plastic. Part #: 42051996 These covers come only in 96" (8 foot) sections. They are shaped to pull around the boom to protect it, and there is typically some overlap depending on where on the boom this cover is installed. We also sell the tape to seal off all the seams to help keep water out. Can be cut down to smaller lengths to save ...

Altec - LRIII - Bucket Truck Parts

Another reason to have a manual for your bucket truck is the maintenance schedul e it offers. It details what maintenance is recommended and how often. As an example, most manuals recommend changing the hydraulic oil and breather every 3 years. And after 5 years of operation, the lift cables and leveling cables should be replaced.

When the Mazda MX-5 was launched in 1989, sports car enthusiasts gave thanks. Safety regulations had virtually killed off the traditional roadster in the early 1970s, and if you wanted the wind in your hair the choice seemed limited to a four-seater convertible that looked like a baby's buggy. Hopes were pinned on the launch of a new MG - but the MX-5 got there first. The car is a star. Here is the full story, from genesis and model evolution to ownership, with all the possibilities that offers.

The second edition of this official Moto GP guide, aimed at racing and track day enthusiasts at all levels, has been expanded to include extra information and many new photos and quotes from today's Moto GP stars.

Discover a collection of short stories that will plunge you into the personal lives of a whole range of men and women - everyone from princesses to paupers and from sultans to sorcerers. You'll meet a princess whose best friend literally tries to steal her wedding, right down to her bridal shoes; a bride who mysteriously goes blind on her wedding day; a woman whose romantic Parisian honeymoon proves too good to be true; and a jealous wife who lures her husband into falling in love with another woman. These candid stories – sometimes moving, sometimes funny, and always entertaining and surprising – will resonate with readers round the world.

The latest tips and techniques for working with pastels - in full color Pastels offer bright colors, a great level of portability, and no drying time - plus they're relatively inexpensive and can be used to draw and paint on almost any surface.
