Amazon.com: Customer reviews: 25 Chapters of My Life: The ...

the autobiography of grand duchess olga as evidenced by her letters/diary, from her earliest memories to pre-WWII. i think she glossed over so many things, such as her marriage, annulment, and subsequent marriage, and her brother--tsar nicholas II--but overall it was an interesting look at what life was like as daughter and sister to the richest men in russia who also ruled 1/6th of it till the revolution. if you want more facts then the vorres book would be more to your taste.

Memoir of a German princess. Their Highnesses The Duke and Duchess of Mecklenburg today attended the launch of the memoirs of Duchess Jutta at the National Museum of Montenegro in Cetinje, the historic capital of Montenegro, and the opening of an exhibition dedicated to her life at Biljarda, a former royal residence and now the Njegos Museum.

The Grand Duchess Olga records her life with an artist's eye for detail, against the backdrop of the historical events which shook the world.

The granddaughter of Queen Victoria and Tsar Alexander II of Russia, Queen Marie of Romania was one of the most brilliant monarchs of the 20th century. This recently discovered last volume of her memoirs covers the period following the First World War, and the new political configuration in united Romania.

This biography of Xenia, sister of Nicholas II gives a new angle on the Romanov story and provides new information on relationships within the family after the Revolution. Important new letters and photographs are also included.

Olga Romanov lived a life full of romance and danger. Born into the doomed Romanov family in the late 19th century, she barely escaped the Bolshevik Revolution with her life. Never before seen letters and diary entries from Russian archives and family members cast new light on her daring escape across the Crimea, and reveal details of her miserable first marriage and subsequent love affair with the handsome officer who would become her second husband. A true tale of riches to rags, Olga lived on the proceeds of a spectacular cache of Faberge jewels smuggled out of Russia, eventually dying in relative poverty above a hair salon in a run down neighborhood of Toronto.

Draws on unpublished letters and rare primary sources to trace the story behind the tragic romance and brutal assassination attributed to the instigation of World War I, exploring rumors of Serbian complicity, conspiracy and official negligence that doomed the Archduke and his family. By the author of The Fate of the Romanovs.

The story behind the Romanov murders and the painstaking investigation to find their hidden bodies describes Lenin's cover-up and the roles played by such figures as James Baker, Boris Yeltsin, and Prince Philip. 125,000 first printing. Tour.
