Synopsis Norman Geisler first examines six ethical options which have arisen in Christian tradition and then discusses a number of issues ranging from abortion to the pollution of the eco-system.

~~Christian Ethics: Options and Issues: Amazon.co.uk ...~~

Geisler's work is divided into two parts: a survey of the different positions (including a defense of his own, graded absolutism) and a treatment of different issues in ethical reasoning. While one can quibble with some of his exegesis, his larger arguments are compelling.

\$9.99 Norman Geisler first examines six ethical options which have arisen in Christian tradition and then discusses a number of issues ranging from abortion to the pollution of the eco-system.

This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective.

A clear, biblical perspective on

Read Online Christian Ethics Norman L Geisler

pressing issues such as abortion, euthanasia, divorce, and others.

America's moral decline is not secret. An alarming number of moral and cultural problems have exploded in our country since 1960--a period when the standards of morality expressed in our laws and customs have been relaxed, abandoned, or judicially overruled. Conventional wisdom says laws cannot stem moral decline. Anyone who raises the prospect of legislation on the hot topics of our day - abortion, family issues, gay rights, euthanasia - encounters a host of objections: "As long as I don't hurt anyone the government should leave me alone." No one should force their morals on anyone

Read Online Christian Ethics Norman L Geisler

else." You can't make people be good." Legislating morality violates the separation of church and state." 'Legislating Morality' answers those objections and advocates a moral base for America without sacrificing religious and cultural diversity. It debunks the myth that morality can't be legislated" and amply demonstrates how liberals, moderates, and conservatives alike exploit law to promote good and curtail evil. This book boldly challenges prevailing thinking about right and wrong and about our nation's moral future.

The standard for Christian apologetics, this systematic

Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith. Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments, all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics. An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L.

Geisler's seminal work to the masses.

Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking.

Offers a balanced, moderating position to the endless theological debate over man's free will and God's sovereignty.

The world of the Old Testament can seem hard to understand, especially for people living in times and places so far removed from the ancient Middle East. It's not just that we wear different clothes and hold different jobs--people in the West just don't have the same history, the same

Read Online Christian Ethics Norman L Geisler

culture, or the same way of thinking as Old Testament characters like Abraham and David. And this disconnect can make studying the Old Testament an arduous and confusing process. A Popular Survey of the Old Testament is designed to help regular Christians enrich their understanding of Old Testament people and events. Illustrated throughout with color photos, charts, and maps, and written in an easy, informal style, this survey is accessible and enjoyable to Christians of all backgrounds.
