From the cradle to college, tell your daughters the truth about life before they believe the culture's lies. For mothers with girls newborn to eighteen, *Five Conversations You Must Have with Your Daughter* is simply a must-have book. Youth culture commentator Vicki Courtney helps moms pinpoint and prepare the discussions that should be ongoing in their daughters' formative years. To fully address the dynamic social and spiritual issues and influencers at hand, several chapters are written for each of the conversations, which are: 1. Don't let the culture define you 2. Guard your heart 3. Have a little sex respect 4. Childhood is only for a season 5. You are who you've been becoming The book also includes questions at the end of each conversation to help facilitate individual or

The religious leaders in Jerusalem trembled with fury. The apostle Paul used to be one of them. But since his trip to Damascus, Paul now taught that Yeshua was the Messiah. "Paul is teaching lies," said the priests. "We must stop him!" Thrown into prison, Paul knows he has done nothing wrong. He sails to Rome to stand before Caesar, the mighty Roman Emperor. But the seas are rough and dangerous. Will Paul reach Rome alive? Filled with colorful illustrations and biblical truth, *Shipwrecked!* is part of the Bible Pathway Adventures series of biblical adventures. If your children like gripping action and courageous Israelites, then they'll love this biblical adventure series from Bible Pathway Adventures. The search for truth is more fun than tradition! In order to persuade a child to take her bitter-tasting medicine when she is sick, her grandfather tells her a story in which a prince saves the people from sin by drinking from a poisoned fountain.

intelligence, and the yearnings of her imagination. Featuring an introduction by Plath's husband, the late British poet Ted Hughes, these writings also reflect themes and images she would fully realize in her poetry. Johnny Panic and the Bible of Dreams truly showcases the talent and genius of Sylvia Plath.

This easy-to-use, transportable VBS is designed to help you host a VBS anywhere in the world. Simple visuals, 100+ recreation games, and five sessions of gospel-centered content help you explain the good news to kids outside of your church.

marriages can and will not only survive but thrive when husbands and wives learn to cherish one another," Thomas says. And in a world desperate for marriage redemption, the act of cherishing is needed now more than ever. Thomas shows that although there are a countless number of marriages consisting of two people just going through the motions, there are real ways this pattern can be reversed: when husbands and wives learn to cherish one another in proven, loving, and everyday actions and words. Through personal stories and real-world examples, Thomas proves what husbands and wives can begin doing today to turn their marriage around - even a marriage marred by neglect and disrespect. So how do you cherish your spouse? Thomas will show you how going out of your way to notice them, appreciate them, honor them, encourage them, and hold them close to your heart will bring

hope, light, and life into your marriage.
