Do you think that perhaps a key to conflict resolution must come from within? How can teachers and pre-service teachers help their students learn and use strategies for conflict resolution? Tools for Conflict Resolution is a practical method for teaching conflict resolution skills to students in grades K-12. Conflict is a part of everyone's life. It is the authors' belief that if each student is given tools for handling conflict, and these tools are used each time conflict arises that soon students become proficient conflict managers. This book begins with a chapter, which introduces Peter Senge's
