Focus on the basics of business law principles with BUSINESS LAW: TEXT AND EXERCISES, 9E. Written in user-friendly language, each chapter concentrates on one important topic, allowing readers to easily explore specific points of law and concepts. The authors have taken special care to provide straightforward descriptions, everyday examples, and varied exercises to help readers apply what they are reading and learning to real-life situations. Developed to provide a business law overview, this edition's short, concise chapters are punctuated with illustrative and timely features, including Highlighting the Point and real case summaries. Each chapter's learning tools clarify contemporary legal principles in a practical presentation that ensures readers gain a solid understanding of business law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Designed for use in Introductory Law courses for non-majors in law. The course is found in Political Science departments in universities, and Law Enforcement, Paralegal, and Legal Secretary programs in community colleges. This text introduces the legal principles that are basic to all major areas of the Canadian legal system. The integration of legal theory and practical application using current case law allow students to appreciate the impact that law has on all aspects of every day life. Introduction to Law in Canada provides a solid introduction to Canadian law and institutions and strikes a balance between theory and practice.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Visually engaging, enticing and current examples with an overall focus on business. Business Law continues to be the most engaging text for readers by featuring a visually appealing format with enticing and current examples while maintaining its focus on business. Readers will learn business law, ethics, and the legal environment in a way that will encourage them to ask questions and go beyond basic memorization.
