European Economic & Social Committee. Germany has 24 representatives on the European Economic and Social Committee. This advisory body – representing employers, workers and other interest groups – is consulted on proposed laws, to get a better idea of the possible changes to work and social situations in member countries.

~~Germany | European Union~~

According to the Maastricht Treaty, each current member state and the European Parliament must agree to any enlargement. The process of enlargement is sometimes referred to as European integration . This term is also used to refer to the intensification of co-operation between EU member states as national governments allow for the gradual harmonisation of national laws.

~~Enlargement of the European Union — Wikipedia~~

The country's refusal to revoke the Benes decrees authorising the post-war expulsion of Germans, and confiscation of their property, also ruffled feathers in Austria and Germany. The European...

~~Europe | Redefining Europe | Enlargement~~

Ironically, the topic of enlargement, discussed at the highest political level, was exhumated by the French president Emmanuel Macron, who never hid his reluctance towards enlargement per se on the ground that, as he stated at the 2018 Sofia Summit, a political Europe cannot exist and work with too many heterogeneous members under the actual treaties and decision-making process.

~~Liberals in the EU should turn enlargement into a success ...~~

The Enlargement of the European Union is the process of expanding the European Union (EU) through the accession of new member states. This process began with the Inner Six, who founded the European Coal and Steel Community (the EU's predecessor) in 1952. Since then, the EU's membership has grown to twenty-seven with the most recent expansion to Bulgaria and Romania in 2007.

~~Enlargement of the European Union~~

The creation of a wider European security system would not have prevented the USA from helping to further political, economic, and military reforms in states that lay beyond unified Germany, NATO's 1991 eastern boundary. To be sure, a new pan-European security order would have been accompanied by uncertainties and risks.

~~Exclusive: Europe to pay less than U.S. for Pfizer vaccine ...~~

Central and Eastern Europe to reform their political systems and economies in order to meet the EU's membership criteria. The EU viewed enlargement to Europe's east as fulfilling a historic pledge to further the integration of the continent by peaceful means, overcome decades of artificial division, and help make Europe "whole and free."
