Law & Justice | National Portal of India
- Government of India

The law of India refers to the system of law across the Indian nation. India maintains a hybrid legal system with a mixture of civil, common law and customary, Islamic ethics, or religious law within the legal framework inherited from the colonial era and various legislation first introduced by the British are still in effect in modified forms today. Since the drafting of the Indian Constitution,

United Kingdom. It originally received Royal assent in August 1935. It was the longest Act of Parliament ever enacted until Greater London Authority Act 1999 surpassed it. Because of its length, the Act was retroactively split by the Government of India Act, 1935 into two separate Acts: The Government of India Act, 1935, having 321 sections and 10 schedules. The Government of Burma Act, 1935 having 159 sections and 6 schedules.

Download Free Government Of India Law

Originally published in 1946, this book was written to provide British lawyers with a guide to the legal processes of India, particularly those lawyers engaging with Indian law for the first time. The text is divided into two main parts: civil law and criminal law. A list of cases cited is included at the end of the text. This book will be of value to anyone with an interest in the development of Indian law and legal history.

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these
