Hurts to Love You. by Alisha Rai. The final book in the Forbidden Hearts series offers a deliciously awkward romance, but is bogged down a bit by the resolution of plotlines started in the prior two books. It 's still a very enjoyable read, but it 's weaker than the previous two novels because the sheer number of loose ends that need to be resolved detracted from the romance.

Review: Hurts to Love You by Alisha Rai – Book Binge

Hurts to Love You by Alisha Rai is book Three in The Forbidden Hearts series. This is the story of Evangeline Chandler and Gabriel Hunter. I have read the previous book but feel this is easily a standalone book. Eve is the younger sister who has stayed in the shadows but she always seem to have a crush on Gabe her brother's friend.

Being bad never felt so good, in the third novel in Alisha Rai 's sexy Forbidden Hearts series! Well-behaved women don 't lust after men who love to misbehave. Heiress Evangeline Chandler knows how to keep a secret . . . like her life-long crush on the tattooed hottie who just happens to be her big brother 's friend. She 's a Chandler, after all, and Chandlers don 't hook up with the help. Then again, they also don 't disobey their fathers and quit their respectable jobs, so good-girl rules may no longer apply. Gabriel Hunter hides the pain of his past behind a smile, but he can 't hide his sudden attraction to his friend 's sheltered little sister. Eve is far too sweet to accept anything less than forever and there 's no chance of a future between the son of a housekeeper and the town 's resident princess. When a wedding party forces Eve and Gabe into tight quarters, keeping their hands off each other will be as hard as keeping their clothes on. The need that draws them together is stronger than the forces that should shove them apart . . . but their sparks may not survive the explosion when long-buried secrets are finally unearthed.
