Designed by Lockheed's legendary engineer Clarence "Kelly" Johnson, the F-80 (first designated P-80) "Shooting Star" was one of the world's first operational jet fighter aircraft. After it missed seeing combat in WWII - four prototype aircraft were in Europe at war's end - the plane drew first blood in Korea in 1950. Variants included a photo recon version and the two-seat T-33, both of which saw heavy service in air forces around the world. Originally printed by Lockheed and the United States Air Force in the 1950s, this F-80 Flight Operating Manual taught pilots everything they needed to know before entering the cockpit. Classified

"Restricted," the manual was recently declassified and is here reprinted in book form. This affordable facsimile has been reformatted and color images appear in black and white. Care has been taken however to preserve the integrity of the text.

Interest in sustainable, green building practices is greater than ever. Whether concerned about allergies, energy costs, old-growth forests, or durability and long-term value, homeowners and builders are looking for ways to ensure that their homes are healthy, safe, beautiful and efficient. In these pages are descriptions and manufacturer contact information for more than 1,400 environmentally preferable products and materials. All phases of residential construction, from sitework to flooring to renewable energy, are covered. Products are grouped by function, and each chapter begins with a discussion of key environmental considerations, and what to look for in a green product. Over 40% revised, this updated edition includes over 120 new products. Categories of products include: Sitework and landscaping Outdoor structures Decking Foundations, footers and slabs Structural systems and components Sheathing Exterior finish and trim Roofing Doors and windows Insulation Flooring and floor coverings Interior finish and trim Caulks and adhesives Paints and coatings Mechanical systems/HVAC Plumbing, electrical and lighting Appliances Furniture and furnishings Renewable energy Distributors and retailers An index of products and manufacturers makes for easy navigation. There is no more comprehensive resource for both the engaged homeowner and those who design and build homes.
