world of travel, with detailed advice on: • Airlines • car rentals • cruises • hotels and alternative lodging • the TSA and security • staying connected • review websites • resolving complaints • vacation rentals • passports and visas • and much more Full of recommendations, real-life case histories, and the answers to the most common—and confounding—questions, this book is a must-read for anyone traveling anywhere.

This thorough, concise, and easy-to-use guide to capturing digital photographs provides an entire step-by-step course for budding digital photographers. All concepts are fully illustrated with sample work by internationally renowned professionals, representing editorial work, photojournalism, and everything in between. Topics covered include essential information for both film and digital photography, such as exposure controls and shutter speed, as well as digital-specific information on image editing, printing methods, and even file storage. The first digital textbook by legendary photography teacher Henry Horenstein, *Digital Photography* is the best guide yet for aspiring digital photographers, essential both for photographers transitioning from film to digital and those learning the art of photography for the first time.

Life is full of celebrations and challenges. This story is about a conflict between good and evil. We all know a lot of people; some come and go and others stay. Who we allow to stay influences our role in the conflict. The end result defines us.

Here is a unique text that examines the lives of middle-aged and old women. *Women, Aging and Ageism*, in response to the lack of literature that focuses on aging women, presents timely and definitive research that illustrates the implications of ageism and sexism. This landmark volume challenges powerful myths and dangerous stereotypes and identifies the damaging restrictions that society forces upon aging women. In extending feminist research to middle and old age, the chapters taken together comprise a critique of the conditions of the last third of women ' s lives. The authors use analytical tools and methodologies developed and modified by feminists to explore questions previously unasked. They focus on issues of deep concern to women at midlife and beyond, including the politics of reproduction, sexuality, social isolation, violence against women, equal opportunity, and the feminization of poverty. *Women, Aging and Ageism* is available for classroom adoption. Ideal for students and helping professionals working with middle-aged and old women and their families, this book provides models of effective interventions grounded in field research and clinical practice. For all readers concerned about middle-aged and old women and the quality of their lives, *Women, Aging and Ageism* is a rich resource filled with ideas and information and an affirmative new volume about the limitless possibilities of women ' s achievement in midlife and old age.

Drumming & Dreaming Algonquian Tales of the Eastern Woodland Native Americans - primarily the Nipmuc Tribe. Award-winning writer, Larry Spotted Crow Mann skillfully brings forth the Oral

Tradition in this brilliantly woven Collection of Legends, that beckon the Spirit of the Land, and the Ancient Voices that still have so much to Teach us all. All Lovers of Native American legends, culture, and history will be vividly inspired and thrilled to add this captivating book to their collection. The Art of Native American Story Telling has been passed down for thousands of years. They give life and meaning to everything in the Universe. They show us lessons of Love, courage, kindness, respect, humility, truth, and wisdom. We learn the skills to interact with our environment as a living being and codify those teachings within our own existence. These legends also represent the unknown, the Magic, and that things are not always as they seem. Sometimes, a Tale is shared just for a good laugh. But at the very roots, it's all about the Healing Power that these messages carry. In Drumming & Dreaming, that Healing Power is called upon by Crow. He has suffered a great tragedy - he cannot find his Dream. When Bear sees his winged friend in distress, he comes to his aid. As you accompany Crow and Bear on this Quest, the beauty, mystery, and wonder of Turtle Island mightily reveals itself. Through the voice of Crow and guidance of Bear, Mother Earth, once again, speaks in the language of the Indigenous People of North America. CrowStorm Publishing 2017(c)

It's 1907 Los Angeles. Mischievous socialite Anna Blanc is the kind of young woman who devours purloined crime novels—but must disguise them behind covers of more domestically-appropriate reading. She could match wits with Sherlock Holmes, but in her world women are not allowed to hunt criminals. Determined to break free of the era's rigid social roles, Anna buys off the chaperone assigned by her domineering father and, using an alias, takes a job as a police matron with the Los Angeles Police Department. There she discovers a string of brothel murders, which the cops are unwilling to investigate. Seizing her one chance to solve a crime, she takes on the investigation herself. If the police find out, she'll

get fired; if her father finds out, he'll disown her; and if her fiancé finds out, he'll cancel the wedding and stop pouring money into her father's collapsing bank. Midway into her investigation, the police chief's son, Joe Singer, learns her true identity. And shortly thereafter she learns about blackmail. Anna must choose—either hunt the villain and risk losing her father, fiancé, and wealth, or abandon her dream and leave the killer on the loose. From the Trade Paperback edition.

Give kids the big picture of God's story with this innovative, interactive Bible storybook. It includes 145 stories with fresh new four-color illustrations, and a "Christ Connection" feature showing kids how God's plan for salvation through Jesus appears throughout the Bible.
