events surrounding his birth gives us a better understanding of that character. Christmas is so much more than the holiday we've turned it into. It's the birth of a promise-God's promise to redeem humankind to himself. Sending Jesus was always God's plan, and there is something for us to learn in every detail surrounding his birth. Christmas Speaks is a simple yet perceptive devotional that's broken down into easily understood segments that weave together scripture and insight, giving the reader a deeper understanding of the vast love God has for us and how we should respond to that love. Each chapter examines a different aspect of the Christmas narrative. As we come to better know the people central to this story, we can begin to apply aspects of their character to our own lives for a more meaningful relationship with God. By coming to a deeper understanding of scripture, we can see how God speaks to
