Pamphlet is a succinct statement of the ethical obligations and duties of individuals who enter the nursing profession, the profession's nonnegotiable ethical standard, and an expression of nursing's own understanding of its commitment to society. Provides a framework for nurses to use in ethical analysis and decision-making.

Created in conjunction with Fundamentals of Nursing, Seventh Edition, this Study Guide helps students review and apply concepts from the textbook to prepare for exams as well as nursing practice. Each chapter includes three sections: Practicing for NCLEX® (containing multiple-choice and alternate-format questions), Developing Your Knowledge Base (including a variety of questions formats such as fill-in-the-blank, matching, and short answer), and Applying Your Knowledge (comprised of critical thinking questions, reflective practice scenarios, and patient care studies). An Answer Key appears at the back of the book.

The definitive sourcebook for basic legal knowledge, this reference covers the majority of legal issues in nursing in depth, citing current case examples from courts throughout the United States. It provides practical tips for improving patient care and reducing liability risks, and answers the legal questions most commonly asked by nurses. Offers a thorough explanation of the law, its sources, doctrines, and court system, and combines legal and ethical topics to show readers how both concepts affect nursing practice in all clinical settings. Features You Be the Judge/You Be the Ethicist sections that gives facts (many in great detail) from actual court cases (dating from 1993 to the present), along with questions that direct readers to consider chapter content in light of real court cases.

Prepare for success on the REx-PNTM and CPNRE® exams! Mosby's Prep Guide for the Canadian PN Exam: Practice Questions for Exam Success is the only concise examination study tool to focus specifically on Canada's Practical Nurse licensure examination. Between the book and its accompanying website, this resource includes 1,000 practice questions along with a detailed rationale for each answer; it also provides valuable test-taking tips and strategies. From Canadian nursing experts Marianne Langille and Karen Katsademas, this self-study guide has everything you need to be completely ready for your PN exam. Strategic overview of the REx-PNTM and CPNRE® exams helps you prepare effectively for the Practical Nurse licensure examination. 600 practice questions in the book reflect the latest CCPNR national competencies (including Ontario and British Columbia) and provide three comprehensive practice exams of 200 questions each. Additional 400 practice questions on the companion Evolve website (for a total of 1,000) allow you the flexibility to test yourself in exam mode and self-study mode, with instant feedback to assess your progress. Rationales for answers explain why your answer is correct or incorrect. Test-taking tips and techniques help you answer the "tricky" questions, select the best answer from a choice of possible solutions, and tackle short-answer questions. Classification legends indicate the competency and taxonomy being tested for each question. Practical appendix includes the Entry-Level/Entry-to-Practice Canadian Council for Practical Nurse Regulators (CCPNR) Competencies for both the CPNRE® and the REx-PNTM licensure examinations. Study tools make it easier to determine the correct answer options. REx-PNTM format practice questions on Evolve provide an introduction and exam preparation for exam writers in Ontario and British Columbia.
