Oxford Picture Dictionary | United States | Oxford ...

Condition: Good. 1st Edition. The Professor and the Madman, masterfully researched and eloquently written, is an extraordinary tale of madness, genius, and the incredible obsessions of two remarkable men that led to the making of the Oxford English Dictionary--and literary history. The compilation of the OED, begun in 1857, was one of the most ambitious projects ever undertaken.

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

Over 500 words, in alphabetical order, with funny, useful, and interesting phrases to explain their meanings. The antics of Val Biro's monkeys, cats, mice, frogs and many other characters, make this a funny, friendly introduction to first dictionary skills.

This package provides full-colour overhead transparencies of each dictionary page (monolingual edition), packaged in a ring binder for easy access.

Teaches English as a second language to French speakers through the use of pictures dealing with everyday topics such as the body, post office, law, travel, and family.

4,000 words and phrases are organized thematically within 163 topics. Includes English to Spanish translations of vocabulary throughout, and an extensive index in Spanish at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

A new edition of the popular picture dictionary, available in 13 bilingual editions that meet the language needs of young adult and adult students around the world.

Vibrant, realistic illustrations and unparalleled teaching support make the Oxford Picture Dictionary Program what every classroom needs to build students' vocabulary, reading, and critical thinking skills.

4,000 words and phrases are organized thematically within 163 topics. Includes English to Vietnamese translations of vocabulary throughout, and an extensive index in Vietnamese at the back of the book. A fully integrated vocabulary development program in American English, progressing from essential words to the more complex, delivered in short thematic units. Realistic scenarios and modern artwork are easy to relate to and these, together with story pages and practice exercises, have been applauded for their success in promoting critical

thinking skills. Content is fully supported by a range of components (in English only) - including Workbooks, Classroom Activities, Audio and website.

A comprehensive, flexible, and up-to-date vocabulary reference and teaching tool for English language learning. The Oxford Picture Dictionary and its components create a highly teachable programme that can be used as a complete, four-skills beginning course, or as a language development supplement and practical reference.
