Ross And

Wilson 14th Edition
specifically to meet the needs of nursing students undertaking the common foundation programme. It aims to explain how and why sensitive, holistic and evidence-based nursing care is carried out.

Therefore it is relevant to students who will enter all branches of nursing and includes material that is both

common to all and
specific to each branch.
The book aims to
provide all students on
foundation nursing and
health care programmes
with material of
sufficient depth/breadth
to achieve the NMC
outcomes required for
entry into the branch
programmes. There is
an emphasis not only on
the theory that

File Type PDF

Ross And
