With a new introduction, Phil Jackson's modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." --Phil Jackson Eleven years ago, when Phil Jackson first wrote these words in Sacred Hoops, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadnt yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind -- not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we" -- all lessons applicable to any person's life, not just a professional basketball player's. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in Sacred Hoops are relevant to the issues facing his current team -- and today's reader.

Chicago Bulls coach Phil Jackson shares his experience of combining sports and spirituality to lead his team to success, explaining how to nurture a positive group dynamic and detailing the methods he uses to teach his players how to think collectively, overcome anger, and look beyond jealousy. Reprint.

Phil Jackson, coach of the Chicago Bulls, describes his outlook on life, and explains how he applies it to basketball

A vibrant, unconventional, highly opinionated guide to the triumphs, joys, struggles, and heartbreaks of the modern era of the game, for every obsessive basketball fan who loves to hate hot takes The Joy of Basketball celebrates the meteoric rise of basketball over the last quarter century by ignoring the bland, traditionalist binary of wins or losses. Instead, the book's focus is on everything else. Using text, charts, and illustrations that upend conventional jock wisdom, the book details the most incredible players in history, draft flops, long-limbed oddballs, superteams, the international talent wave, brawls, scandals, the rapid evolution of contemporary gameplay, coaching, fashion, crime, positional erosion, tragic tales, memes, and the sacred Kardashian Blessing. Bouncing between witty graphics and keen sociopolitical observations, The Joy of Basketball is a subversive sports manifesto camouflaged as a colorful reference book for your coffee table.

**Sacred Hoops - Amazon.com: Books**

This pioneering work, first published in 1986, documents the continuing vitality of the American Indian tradition and of women's leadership within that tradition. In her new preface to this edition, Allen reflects on the remarkable resurgence of American Indian pride and culture in recent times.
