over a decade, in her newest novel of breathtaking suspense Eve Duncan's mission in life is to bring closure to the families who have experienced the agony of a missing child. As a forensic sculptor, she is able to piece together bones, create a face, and bring an identity to a child who would have otherwise gone unidentified...maybe forever. Eve is brilliant, and driven, and tormented--because her own daughter, Bonnie, was taken from her years ago. And Eve has never discovered what happened to her. But now a name from the past resurfaces, thanks to CIA agent Catherine Ling who knows all too well what it's like to lose a child. After teaming up with Agent Ling to find her missing son, Eve and Catherine share a bond forged by their mutual pain. Now, Catherine challenges Eve with a name: John Gallo. A man from Eve's past. A man, seemingly raised from the dead, whose whereabouts are unknown. Could Gallo be the missing piece to the puzzle that has haunted Eve for years? Why was he in Atlanta just before Bonnie's disappearance? With a brilliant narrative that goes back to Eve Duncan's early life, exploring her history and motivations like no other novel before, Eve reveals long-guarded secrets and is guaranteed to leave Johansen fans panting for more.

When it comes to Eve Duncan, never say never... IS SHE DEAD OR ALIVE? That is the question on everybody's lips. Eve appears to have been the victim of James Doane, the psychopath who kidnapped her and forced her to use her skills as a forensic sculptor to reconstruct the skull of his depraved son. That's what everyone attending her funeral thinks, at least. But not even some of her top-brass colleagues know for sure whether her death is a hoax - a way to ensnare her brutal captor once and for all. But even if Eve really is still alive, how much longer can this charade continue before she falls into even greater danger? CIA agent Catherine Ling will waste no time in trying to find out. Years ago, Eve risked everything to help Catherine find her missing son. Now Catherine, along with Eve's beloved Joe Quinn and Jane MacGuire, will go to the ends of the earth to save her.

When he first met Eve Duncan, he never expected to fall in love with a woman whose life would be defined by her dual desires to bring home her missing daughter and discover the truth behind her disappearance---no matter how devastating. With the help of CIA agent Catherine Ling, they make a shocking discovery that sheds new light on young Bonnie's abduction and puts Quinn squarely in the crosshairs of danger. Eve's first love, John Gallo, a soldier supposedly killed in the line of duty, is very much alive---and very much a threat. Emotionally charged, with one shock after another, Quinn reveals the electricity of Joe and Eve's first connection, and how they fell in love in the midst of haunting tragedy. As their search takes them deeper and deeper into a web of murder and madness, Joe and Eve must confront their most primal fears . . . and test their resolve to uncover the ultimate bone-chilling truth.
