to negotiate the return of the kidnapped son of Charles Lindbergh, Nathan Heller of the Chicago P.D. is sent to Hopewell, New Jersey, as a police liaison. As a part of Lindbergh's inner circle, Heller investigates crooks, cranks, socialites, and psychics in a frustrating, fruitless attempt to solve the case. Max Allan Collins makes the crime that captivated a nation the focal point of yet another fascinating and thoroughly spellbinding foray into his world of historical crime fiction. Four years later, in 1936, Heller -- now a private detective, and considered an expert and insider on the Lindbergh case -- is hired by the governor of New Jersey in an eleventh-hour quest to determine the guilt or innocence of Bruno Hauptmann, who sits on death row convicted of the murder and kidnapping of the Lindbergh child."A novel of the

A terrible birthday present that becomes the best gift ever – that of love. Esther's friends give her the birthday gift of a date with Angel Zortek who, unknown to them, is not a man dressed as an angel. He's a demgel, someone who is half demon, half angel. The date proves to be disastrous, especially later when he abducts Esther and brings her to the world of Kurbridor. There she is rescued from Zortek by another demgel, named Dreydon, who keeps her safe until he can take her home. An attraction develops between them, but she tries to ignore her feelings because he is not human. After two days, Dreydon makes passionate love to Esther, but

she insists he takes her home. That ends their short-lived relationship. Will Zortek want revenge and, if so, how will Dreydon be able to defend Esther? This is a story of demgel deceit, passion and rage set on a magical world filled with mythical creatures. Reader Advisory: The heroine is stolen away by an evil demgel, rescued by another, who ultimately also steals away her heart.

Drawn from fascinating historical records--including trial transcripts from the century's first insanity defense--this is the gripping account of the gruesome kidnap and murder of a 12-year-old girl in 1927. Following a nationwide manhunt, no one was prepared for the awful truth that a sadistic monster dwelled within an unlikely suspect.

A fictional re-creation of one of the most enigmatic cases in American history follows one man's search through a maze of deception, betrayal, and danger to find the Lindbergh baby alive

Keira, kidnapped from her home in Ireland by the Viking hordes, is forced to travel as a slave to the legendary Vinland. Her masters attempt to settle in this new world, but Vinland is an island already claimed. While searching for a new home, a freak accident at sea leaves Keira miraculously saved by a Beothuck warrior. To Keira's amazement, the warrior has knowledge of her Irish homeland. Keira settles into the Beothuck way of life, learning their customs and language,

Thomas Johnson and Charles Spurgeon lived worlds apart. Johnson, an American slave, born into captivity and longing for freedom--- Spurgeon, an Englishman born into relative ease and comfort, but, longing too for a freedom of his own. Their respective journeys led to an unlikely meeting and an even more unlikely friendship, forged by fate and mutual love for the mission of Christ. Steal Away Home is a new kind of book based on historical research, which tells a previously untold story set in the 1800s of the relationship between an African-American missionary and one of the greatest

Since its formation in the twelfth century, The Order of The Knights Templar has kept its fair share of secrets. Eric Ray, a young man living in the present, didn't intend to stick his nose in The Order's business, but that's somehow exactly what happened. Amidst a budding relationship and heartbreaking revelations, he finally learns the truths he's been longing to hear. However, the more he learns, the more he realizes that some things are better left in the dark. The same issues plague Samantha O'Rourke, a time traveler living more than three hundred years before her time. Disturbed by revelations about Thomas Randall, a viscous pirate who will stop at nothing to get what he wants, she

struggles to maintain the balance that once filled her home. Wanting nothing more than to move on with life and leave the past behind her, she faces each day with resolute strength, keeping her own secrets under lock and key. With a new leader at the head of The Order and his own standing as a Templar at risk, Tristan, Samantha's husband, knows that now is not the time to rock the boat. No matter how hard he tries, though, he can't seem to shake the demons of his past—or the ones threatening to tear him to shreds now. Desperation leads him to recklessness. He will fight to regain what was stolen away from him.
