The blind Country and Western singer recounts his difficult childhood, describes the highlights of his professional career, and discusses the people and events that contributed to his success

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

\*Clark also explores the personal pressures that shaped Granados's music. His passionate affair with a wealthy socialite created domestic tensions, but it was also a source of inspiration for Goyescas. Persistent financial difficulties forced him to devote time to teaching at the expense of composition, though as a result Granados made considerable contributions to piano pedagogy and music education in Barcelona through the music academy he founded there."--BOOK JACKET.

Letters I Never Mailed: Clues to a Life, by Alec Wilder, in a new, annotated edition with introduction and supplementary material by David Demsey, foreword by jazz pianist Marian McPartland, and photographs by Louis Ouzer. Alec Wilder is a rare example of a composer who established a reputation both as a prolific composer of concertos, sonatas, and operas, and as a popular songwriter (including the hit "I'll Be Around"). He was fearsoely articulate, and had a wide and varied circle of friends, ranging from Graham Greene to Frank Sinatra and Stan Getz. Letters I Never Mailed, hailed at its first publication (in 1975 by Little, Brown), tells the story of Wilder's musical and personal life through "letters" addressed to various friends. In it, he shares his insights and sometimes salty opinions on composing, musical life, and the tension between art and commercialism. This new, scholarly edition leaves Wilder's original text intact but decodes the mysteries of the original through an Annotated Index that identifies the letters' addressees, a biographical essay by David Demsey as an Epilogue, and photographs by renowned photographer, and lifelong friend of Wilder, Louis Ouzer. David Demsey is Professor of Music and Coordinator of Jazz Studies at William Paterson University and an active jazz and classical saxophonist. He is co-author of Alec Wilder: A Bio-Bibliography (Greenwood Press) and has contributed to The Oxford Companion to Jazz.
