Try to buy or borrow your books early so you're ready for the discussions as soon as they begin.

The #1 New York Times bestselling novel and basis for the Academy Award-winning film—a timeless and universal story about the lines we abide by, and the ones we don't-nominated as one of America's best-loved novels by PBS's The Great American Read. Aibileen is a black maid in 1962 Jackson, Mississippi, who's always taken orders quietly, but lately she's unable to hold her bitterness back. Her friend Minny has never held her tongue but now must somehow keep secrets about her employer that leave her speechless. White socialite Skeeter just graduated college. She's full of ambition, but without a husband, she's considered a failure. Together, these seemingly different women join together to write a tell-all book about work as a black maid in the South, that could forever alter their destinies and the life of a small town...

What would happen if women suddenly possessed a fierce new power? "The Power is our era's The Handmaid's Tale." --Ron Charles, Washington Post **WINNER OF THE BAILEYS WOMEN'S PRIZE FOR FICTION** One of the New York Times's Ten Best Books of the YearOne of President Obama's favorite reads of the YearLos Angeles Times Best Book of the Year One of the Washington Post's Ten Best Books of the YearAn NPR Best Book of the Year One of Entertainment Weekly's Ten Best Books of the Year A San Francisco Chronicle Best Book of the YearA Bustle Best Book of the YearA Paste Magazine Best Novel of the YearA New York Times Book Review Editors' ChoiceAn Amazon Best Book of the Year "Alderman's writing is beautiful, and her intelligence seems almost limitless. She also has a pitch-dark sense of humor that she wields perfectly." --Michael Schaub, NPR In THE POWER, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power—they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, THE POWER is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

From #1 New York Times bestselling author and "queen of royal fiction" (USA TODAY) comes a riveting and scandalous love triangle between a young woman on the brink of greatness, a young man whose ambition far exceeds his means, and the wife who cannot forgive them. In the autumn of 1558, church bells across England ring out the joyous news that Elizabeth I is the new queen, yet one woman hears the tidings with utter dread. She is Amy Dudley, wife of Sir Robert, and she knows that Elizabeth's ambitious leap to the throne will draw her husband back to the center of the glamorous Tudor court, where he was born to be. Elizabeth's excited triumph is short-lived. She has inherited a bankrupt country where treason is rampant and foreign war a certainty. Her faithful advisors warns her that she will survive only if she marries a strong prince to govern the rebellious country, but the one man Elizabeth desires is her childhood friend, the ambitious Robert Dudley. As the young couple falls back in love, a question hangs in the air: can he really set aside his wife and marry the queen? When Amy is found dead, Elizabeth and Dudley are suddenly plunged into a struggle for survival.

Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." --Ann Patchett The Overstory, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers's twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe.

NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA Book Club Pick! A magnificent new novel from the Nobel laureate Kazuo Ishiguro—author of Never Let Me Go and the Booker Prize-winning The Remains of the Day. Klara and the Sun, the first novel by Kazuo Ishiguro since he was awarded the Nobel Prize in Literature, tells the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her. Klara and the Sun is a thrilling book that offers a look at our changing world through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love? In its award citation in 2017, the Nobel committee described Ishiguro's books as "novels of great emotional force" and said he has "uncovered the abyss beneath our illusory sense of connection with the world."

A bighearted debut with technicolor characters, plenty of Texas swagger, and a powder keg of a plot in which marriages struggle, rivalries flare, and secrets explode, all with a clever wink toward classical mythology. "Wildly entertaining." --Richard Russo, Pulitzer Prize-winning author of Empire Falls The Briscoe family is once again the talk of their small town when March returns to East Texas two years after he was caught having an affair with his brother's wife. His mother, June, hardly welcomes him back with open arms. Her husband's own past affairs have made her tired of being the long-suffering spouse. Is it, perhaps, time for a change? Within days of March's arrival, someone is dead, marriages are upended, and even the strongest of alliances are shattered. In the end, the ties that hold them together might be exactly what drag them all down. An expansive tour de force, Olympus, Texas cleverly weaves elements of classical mythology into a thoroughly modern family saga, rich in drama and psychological complexity. After all, at some point, don't we all wonder: What good is this destructive force we call love?

Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism, delivered to produce better results and help employees develop their skills and boundaries of success. Great bosses have a strong relationship with their employees, and Kim Scott Malone has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give actionable lessons to the reader, Radical Candor shows how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people both love their work, their colleagues and are motivated to strive to ever greater success.

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

Following his acclaimed New York Times bestseller Did You Ever Have a Family, Bill Clegg returns with a "delicate, deeply observed, and deftly crafted" (Nickolas Butler, author of Shotgun Lovesongs) second novel about the complicated bonds and breaking points of friendship, the corrosive forces of secrets, the heartbeat of longing, and the redemption found in forgiveness. A retired widow in rural Connecticut wakes to an unexpected visit from her childhood best friend whom she hasn't seen in forty-nine years. A man arrives at a Pennsylvania hotel to introduce his estranged father to his newborn daughter and finds him collapsed on the floor of the lobby. A sixty-seven-year-old taxi driver in Kasal receives a phone call from the mainland that jars her back to a traumatic past. These seemingly disconnected lives come together as half-century-old secrets begin to surface. It is in this moment that Bill Clegg reminds us how choices-to connect, to betray, to protect-become our legacy. "Written in lyrical, beautiful prose that makes even waking up seem like a poetic event" (Good Morning America), this novel is a feat of storytelling, capturing sixty years within the framework of one fateful day.

Tallahassee, Florida, 1960s: Brought up by his loving, strict and clear-sighted grandmother, Elwood Curtis is about to enroll at the local black college. But one innocent mistake is enough to destroy his future, and so Elwood arrives instead at the Nickel Academy, which claims to provide training for its inmates to become "honorable and honest men". In reality, the Nickel Academy is a chamber of horrors, where abuse is rife. Stunned to find himself in this vicious environment, Elwood attempts to live by Dr. Martin Luther King's assertion, "Throw us in jail and we will still love you." But his new friend Turner believes the only way to survive is to emulate the cruelty of their oppressors. The tension between Elwood's idealism and Turner's skepticism leads to a decision that will have decades-long repercussions...
