The King's Traitor is a fabulous ending for the Kingfountain series. I listened to the first two books on Audible -- Jeff Wheeler and Kate Rudd are an unbeatable combo--but was so eager to find out how the series wrapped up that I couldn't wait for the audio this time.

First, you captured several more towns in Occitania and seized their castles. Then you subjugated Legault and made it a vassal state. The king sent you to Brugia to help Maxwell unite the land under his power, but you betrayed him to keep him from getting too powerful.” Owen smirked. “That was the king’s idea, of course,” he said bitterly.

I like the way Wheeler is able to develop characters so deeply and maintain a believable persona for each of them, good or evil. Like the first two in the series, this story has intrigue, treachery, action, love, and a healthy dose of fanciful magic. There's blood and love but no graphic gore or sex.

Attempting to depose him, the Duke of Kiskaddon gambles...and loses. Now the duke must atone by handing over his young son, Owen, as the king's hostage. And should his loyalty falter again, the boy will pay with his life. Seeking allies and eluding Severn's spies, Owen learns to survive in the court of Kingfountain. But when new evidence of his father's betrayal threatens to seal his fate, Owen must win the vengeful king's favor by proving his worth--through extraordinary means. In the thrilling conclusion to the Wall Street Journal bestselling Kingfountain Series, a conflicted champion must navigate a treacherous world to secure the peace. A devastating disaster has left the Forbidden Court in ashes, its fountains destroyed, and its magic at risk. It was destined as the site of Trynne Kiskaddon's coronation as empress. Now, all Trynne can imagine is the roar of flames, the cries of Gahalatine's people, and the smell of cinders in a city gone dark. Tragic as the threat to Kingfountain is, it's nowhere near as foul as the treachery posed by Morwenna. Saboteur, conspirator, and full-blood sister of the king, she is prepared to set forth a wave of destruction that will eliminate everything that stands between her and possession of the throne. But Trynne has her weapons, too--her magic, her resilience, her skills at intrigue, and especially, Fallon. The man who once swore his allegiance to Morwenna now stands by Trynne's side as they venture into the unknown to protect those they love, reunite with a family scattered by diabolical forces, and safeguard a kingdom...as well as the destiny the Fountain has for each of them.

A Wall Street Journal bestseller Owen Kiskaddon first came to the court of the formidable King Severn as a prisoner, winning favor with the stormy monarch by masquerading as a boy truly blessed by the Fountain. Nine years hence, the once-fearful Owen has grown into a confident young man, mentored in battle and politics by Duke Horwath and deeply in love with his childhood friend, the duke's granddaughter. But the blissful future Owen and Elysabeth Mortimer anticipate seems doomed by the king's machinations. A pretender to Severn's throne has vowed to seize the crown of Kingfountain. But Severn means to combat the threat by using Elysabeth as bait to snare the imposter--and forcing Owen, as a pawn in the dangerous charade, to choose between duty and devotion. With poisoners and spies circling ominously, and war looming on the horizon, Owen must make painful sacrifices to beat back the advancing shadows of death and disaster. Will Owen's conflicted heart follow the king's path or will he risk everything for love?

Following the downfall of a tyrant in the Wall Street Journal bestselling Kingfountain trilogy, years have passed in prosperity for the kingdom of Ceredigion. Now, as the time comes to celebrate the new king's nuptials, the specter of a new enemy emerges to destroy all that has been painstakingly built in those years. Tryneowy Kiskaddon has grown up learning military and diplomatic strategy from her father, one of the king's closest advisors. She feels her destiny lies in defending the kingdom as a knight, not as a Wiz as her parents have decided, though no lady of the realm has taken up the sword in a century. As she seeks to understand her own Fountain-blessed powers, she studies in the tradition of her mother while training in secret and closely following the realm's politics, alarmed by her mother's vision of an impending clash and a devastating future. But the pieces on fate's game board are in motion, and on the eve of battle, a threatening force irrevocably changes the future of the kingdom and her own. Does Trynne have what it takes to maneuver Ceredigion's key players into position and outsmart the kingdom's enemies-even those still concealed in shadow?

Wall Street Journal bestselling author Jeff Wheeler continues the acclaimed Kingfountain Series with a vast expansion of this spellbinding world. Thrust into the heart of events threatening to rip her kingdom apart, young Trynne Kiskaddon will gain new powers and see old allies fall and new heroes rise as the battle for the kingdom and the lands beyond begins. Courtly intrigue and rumors of invasion plunge Kingfountain into turmoil as the search for Trynne's father begins in earnest. But Trynne's quest to learn the truth of Owen's sinister disappearance is sidetracked when tragedy strikes her family once again. Suddenly, the future of the kingdom rests in her hands as she struggles to learn—and control—the power that can keep the threatening Deep Fathoms at bay. When King Gahalatine unleashes his overwhelming forces against the realm, Trynne must draw on her political instincts, warrior training, and Fountain-blessed magic if she hopes to survive the chaos to come. But a final, epic confrontation will force Trynne into an unimaginable choice: save her kingdom and the lives of her people, or lose the one who means more to her than life itself.

Before she befriended a frightened young boy in the palace of Kingfountain, Ankarette Tryneowy grew up during the shattering civil war that raged between members of the Argentine family. This is the story of how the only daughter of a lawyer and a midwife became the famed Queen's Poisoner. Recruited by King Eredur's ambitious uncle, Ankarette is thrown into a world of double dealing, deception, and tangled loyalties. With the help of her mentor and friend, Sir Thomas, she must learn to trust her instincts and remember that others will not always be loyal, even when they are of the same blood. But involving herself in the machinations of the realm draws the eye of an enemy more dangerous than kings or dukes. How will she navigate the politics of the realm and the desires of her heart to become the woman she needs to become?

What if you knew a story that you could tell no one-except one person? The Duke of La Marche is being held prisoner in a tower over a friendship he never tried to hide. As confidant to the famous Maid of Donremy, the duke should have been a hero. Instead, he was locked up by his king and called a traitor. But this betrayal no longer matters to the duke. What does matter is a promise he made to a young girl-to the Maid. For the Maid had been but a girl once-a girl with a name and her own astonishing story-as he had been but a boy. He knows that one day, when he is old and frail, another girl, a poisoner, will come looking for him. And he will keep his promise-he will reveal to her the Maid's mystery so that destiny will be fulfilled. When Ankarette, the queen's poisoner, arrives in enemy territory on a quest for the Maid's magic sword, little does she realize that she's been chosen-or that the duke's story will alter the fabric of her mission-and the impending war about to tear two kingdoms apart.
