Overall, 2020 world wine production is expected to be about the same as in 2019, but below the average of the last 20 years and much less than the huge harvest of 2018. "This is not necessarily bad news with wine stocks still high," OIV Director General Pau Roca said.

The sixteenth volume in the Aubrey/Maturin series, and Patrick O'Brian's first bestseller in the United States. At the outset of this adventure filled with disaster and delight, Jack Aubrey and Stephen Maturin pursue an American privateer through the Great South Sea. The strange color of the ocean reminds Stephen of Homer's famous description, and portends an underwater volcanic eruption that will create a new island overnight and leave an indelible impression on the reader's imagination. Their ship, the Surprise, is now also a privateer, the better to escape diplomatic complications from Stephen's mission, which is to ignite the revolutionary tinder of South America. Jack will survive a desperate open boat journey and come face to face with his illegitimate black son; Stephen, caught up in the aftermath of his failed coup, will flee for his life into the high, frozen wastes of the Andes; and Patrick O'Brian's brilliantly detailed narrative will reunite them at last in a breathtaking chase through stormy seas and icebergs south of Cape Horn, where the hunters suddenly become the hunted.

From the author of *Chocolat*, an intoxicating fairy tale of alchemy and love where wine is the magic elixir. Jay Mackintosh is a 37-year-old has-been writer from London. Fourteen years have passed since his first novel, *Jackapple Joe*, won the Prix Goncourt. His only happiness comes from dreaming about the golden summers of his boyhood that he spent in the company of an eccentric vintner who was the inspiration of Jay's debut novel, but who one day mysteriously vanished. Under the strange effects of a bottle of Joe's '75 Special, Jay decides to purchase a derelict yet promising ch[^]teau in Lansquenet-sous-Tannes. There, a ghost from his past waits to confront him, and his new neighbour, the reclusive Marise - haunted, lovely and dangerous - hides a terrible secret behind her closed shutters. Between them, there seems to be a mysterious chemistry. Or could it be magic? Joanne Harris's previous novel, *Chocolat*, was both a dazzling literary success and a commercial triumph. *Chocolat*, the major motion picture directed by Lasse Hallstr^öm (*The Cider House Rules*), was released in December 2000, starring Juliette Binoche, Johnny Depp, Dame Judy Dench, Alfred Molina, and Lena Olin.

Quite simply, *Last of the Summer Wine* is the longest-running comedy programme in the world. It premiered 37 years ago, in 1973, and, after 31 series it finally came to an end last year – even though all its original protagonists – Compo, Foggy, even Nora Batty – are now dead. Remarkably, for a series of such longevity and international appeal, it is all about elderly people, has little action or plot, and is set and filmed in and around the small Yorkshire town of Holmfirth. Now, Andrew Vine, the deputy editor of Yorkshire's daily newspaper, has written the definitive history of this television phenomenon. It covers the show's inauspicious beginnings, with low ratings, its endless reinvention as participants like Bill Owen, Michael Bates, Brian Wilde and Kathy Staff retired or died, the appearance of a string of guest stars from John Cleese and Norman Wisdom to Thora Hird and Russ Abbott (both of whom soon found themselves fixtures in the cast), and the ingenious plot contrivances as the protagonists became too old and frail to attempt any of the slapstick stunts with runaway prams – indeed any outdoor action. Holmfirth is now a year-round tourist attraction, and endless repeats and new DVD box sets will ensure a readership for this book for years to come.

The wine industry in California was founded over 150 years ago, and by the end of the nineteenth century Napa Valley and Santa Cruz were celebrated for the excellence of their wines. Then the double blow of phylloxera and Prohibition almost eradicated the production of fine wines. But a handful of energetic individuals revived the wine industry in the 1960s and within a decade California wines were being recognized as among the finest in the world. The Californians were unwilling to rest on their laurels and have gone from strength to strength.
