The Master Key System by Charles F. Haanel has changed the lives of millions of people. The Master Key Workbook will continue that proud practice. You have always dreamed about living a successful and rewarding life, both financially and emotionally. The Master Key Workbook will help you make all of your dreams come true and set you on the road to riches and self-mastery. Based on the timeless classic The Master Key System, this book combines motivational exercises that build your "thought muscles" with written worksheets to define and prepare you to attain your goals. Once you define your goals and are given the power to attain them, then you can accomplish anything! Some of the things you will learn from this book are... You will gain a complete understanding of the operation of the Universe and how your dreams can become reality. You will learn how to "train your brain" properly and efficiently, thus removing doubt and fear from your life. Putting your plans into action will be easier and results will come quicker than ever before. Goal-setting and goal-attainment will be a snap. You will magnetize yourself to opportunity and success. Your problems will seem to dissolve and your life will have fewer "speed bumps". Your life will be fuller, richer, and more purposeful. Based on the tried and true knowledge and wisdom of Charles F. Haanel, written in an easy and approachable manner, and including many exercises that will both entertain and enlighten, The Master Key Workbook will set every man and woman on the path to a prosperous and meaningful life. Prepare yourself to attain all of your dreams!

This workbook is an activity-based learning program aimed at improving lives and shaping futures. Its purpose is to inspire you, to motivate you, to help you realize your life can improve tremendously and your future can be brighter. You will learn what goals are; the top reasons why they are important; 10 categories of essential goals; how to accept your goals through a 7-step process; the newest and most comprehensive goal setting format developed in the last fifty years, SMART-ROADS; how to create good habits and eliminate bad habits; the common mistakes in goal setting; how to review your goals and be more productive; how to use self-assessment tools for success; critical 'soft skills' necessary in life; your true purpose in life; and why, through hard work, personal effort, simple guidance, and a belief in yourself, you can have an enriching life. If you are ready for a change, now is the time to learn how.

In the tradition of Friday Night Lights and Outcasts United, ONE GOAL tells the inspiring story of the soccer team in a town bristling with racial tension that united Somali refugees and multi-generation Mainers in their quest for state--and ultimately national--glory. When thousands of Somali refugees resettled in Lewiston, Maine, a struggling, overwhelmingly white town, longtime residents grew uneasy. Then the mayor wrote a letter asking Somalis to stop coming, which became a national story. While scandal threatened to subsume the town, its high school's soccer coach integrated Somali kids onto his team, and their passion began to heal old wounds. Taking readers behind the tumult of this controversial team--and onto the pitch where the teammates vied to become state champions and achieved a vital sense of understanding--ONE GOAL is a timely story about overcoming the prejudices that divide us.

Forging your own path is framework to read, learn and mold from. It's part of the blueprint that you use to map out the adventure of a life time. It's knowing that even the best laid out plans, sometimes fail. It's embracing the challenges and detours along the way. But it is not the know it all answer to solving your problems, another possible solution to forge your own path. More than anything else, it's becoming who you are, by undoing who you think you should be. It's defining your own rules and follow your own ideas, because that next one could change your life.
