The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy ` s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing " big things [that] lurk unsaid " in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

The Things We Carry is an autobiographical account of a man's journey in a lifelong struggle against PTSD. Aside from trying to offer everyone a glimpse of what it is like to live with PTSD, the book is an attempt to suggest that despite the accepted disparities, there really are some shared commonalities among those who suffer this horrifying disorder—that sad sense of alienation from society. All of us, at some points in our lives, witness life-threatening experiences that may or may not leave considerable stress or trauma. Some of us are fortunate enough to have the ability to withstand even the worst experience life may bring, while some just don't have the innate capacity to do so. Readers will be invited to glimpse into the life of a war veteran, who, because of the power of his enduring faith in God and the ardent love and support of his family, was able to triumph over PTSD. At eighteen, the author is a corrections officer. Traumatized by the highly stressful employment by being subjected to mostly deplorable realities of prisons, he resigned, and one thing led to another until he decided to enlist with the US Air Force. He completed various tours in Southwest Asia and finally deploys to Iraq where he witnessed the most significant "triggers" to his PTSD. In essence, the author elaborates that The Things We Carry is an invitation to bear witness to the spiritual truth that all of humankind are born and destined to engage in a "spiritual combat" on a daily basis since we have consecrated our existence to follow and serve Christ. Further, this book aims to engage everyone to take his or her part, no matter how trivial or gargantuan, in helping every victim of extreme traumatic stress heal by making them feel that they belong, by making the feel that they are loved.

One girl ` s simple act of kindness causes ripples in her community in this witty, heartwarming story about paying it forward The day after a mighty storm, a little girl finds a sea star that has washed up on shore, and she returns it to the ocean. Seeing her small act of kindness, an old man heads to an animal shelter with his grandson to pick a dog in need of a home. His grandson feels inspired to help an elderly woman clean up her yard, which inspires a teenager to pack an extra lunch for someone in need, and on and on until each small gesture builds toward a magnificent conclusion. Full of humor, heart, and proof of the generosity that we all have inside of us, Christian Trimmer and Kaylani Juanita ` s story is a welcome reminder: It ` s the little things that make a big difference.

The Things They Carried

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O ` Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

A splendid ironic portrayal of literary Paris and of a young writer ` s struggles by one of Spain ` s most eminent authors. This brilliantly ironic novel about literature and writing, in Vila-Matas ` s trademark witty and erudite style, is told in the form of a lecture delivered by a novelist clearly a version of the author himself. The " lecturer " tells of his two-year stint living in Marguerite Duras ` s garret during the seventies, spending time with writers, intellectuals, and eccentrics, and trying to make it as a creator of literature: " I went to Paris and was very poor and very unhappy. " Encountering such luminaries as Duras, Roland Barthes, Georges Perec, Sergio Pitol, Samuel Beckett, and Juan Marsé, our narrator embarks on a novel whose text will " kill " its readers and put him on a footing with his beloved Hemingway. (Never Any End to Paris takes its title from a refrain in A Moveable Feast.) What emerges is a fabulous portrait of intellectual life in Paris that, with humor and penetrating insight, investigates the role of literature in our lives.

A new book by the author of A is for Activist is a rhyming, boldly illustrated vision of a better world. When you go to a march And raise your sign high You'll make people smile who thought you were shy And you'll make people wonder, does that kid really know why? You DO know of course That's why you are there You're there to say STOP! What's happening's not fair Then they say, we know what you're against End poverty stop war... But okay then what are you for? Oh! What are we for! That's my favorite question And I'm sure it's yours too Because you pay attention You have so many answers And so many options And so many solutions that you want to impart The only hard question is where does one start? Oh, The Things We're For! is a celebration of the better world that is not only possible, but is here today if we choose it. Today's kids are well aware of the many challenges that they face in a world they are inheriting, from climate change to police violence, crowded classrooms to healthcare. Poetically written and beautifully illustrated in Innosanto Nagara's (A is for Activist) signature style, this book offers a vision of where we could go—and a future worth fighting for. Oh, the Things We're For! is a book for kids, and for the young at heart of all ages.

" These are remarkable and poignant stories that need to be told. " —Ken Burns More than six million people watch Bob Dotson ` s Emmy award-winning segment, American Story, on NBC ` s Today Show. For the last four decades, Dotson has traveled the country searching out inspiring individuals who quietly perform everyday miracles. In the process, he has become the treasured cartographer of America ` s heart and soul. Today ` s news is overwhelmingly grim; it ` s also told by journalists who travel in herds as they trail politicians and camp out at big stories. In American Story, Dotson shines a light on America ` s neglected corners, introducing readers to the ordinary Americans who have learned to fix what really matters.
