José Gaspar, also known by his nickname Gasparilla, is an apocryphal Spanish pirate, the "Last of the Buccaneers," who is claimed to have roamed and plundered across the Gulf of Mexico and the Spanish Main from his base in southwest Florida. Details about his early life, motivations, and piratical exploits differ in different tellings. However, the various versions agree that he was a remarkably active pirate during Florida's second Spanish period, that he amassed a huge fortune by taking ...

souls of various stripes have always been and still are attracted to the area. And a significant part of Keys' regional lore is the many tales of the exploits of the pirates of the Florida Keys and the Caribbean waters beyond.

Pirates of the Florida Keys - The Spanish Treasure Fleets ...

Pirates were probably Florida's first beach combers; patrolling the coast after storms looking to see what or who washed ashore. Spanish sailors or well to do passengers who managed to survive a ship wrecked during a storm could very well find themselves in the hands of pirates and being sold into slavery or ransomed for reward.

Florida Pirates

One of the first notorious pirates to attack east Florida was Sir Francis Drake who became an English celebrity in his day. Unlike many later pirates, he was an accomplished seaman and navigator, and the first captain to sail around the
