SAGE Books - Gender & Sexuality: Critical Theories ...

One important distinction we can make, though, when it comes to theories of gender and sexuality is that between 1) those critics who accept the distinction between gender as nurture and sex as nature and are, therefore, more interested in exploring the value of marginalized subject positions (including those determined by race); and 2) those critics who follow the poststructuralist and postmodernist position, whereby everything (even sex and race) is determined by language and ideology.

General Introduction to Theories of Gender and Sex

Critical Gender Theory : The Critical Theory Of Gender. The critical theory of gender revolves around the theory that the gender division is a social construct and that such division was constructed with the purpose to subjugate women in addition to other reasons. The critical gender theory is reflective of the social constructionist concept in which identity categories are the product of specific historical and cultural developments.

Critical Gender Theory : The Critical Theory Of Gender ...

Gender studies and queer theory explore issues of sexuality, power, and marginalized populations (woman as other) in literature and culture. Much of the work in gender studies and queer theory, while influenced by feminist criticism, emerges from post-structural interest in fragmented, de-centered knowledge building (Nietzsche, Derrida, Foucault), language (the breakdown of sign-signifier), and psychoanalysis (Lacan).
