To qualify for either program, you must meet SSA's definition of disability: You can't work. Your disability is expected to last for at least one year or result in death. Your impairment is on Social Security's list of disabling medical conditions. Social Security uses a step-by-step process to decide if you have a disability. Partial and short-term disabilities do not meet SSA's standard.

Benefits and Insurance for People with Disabilities | USAGov

The Social Security Administration (SSA) operates two separate programs that provide cash benefits for people with disabilities: Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI). The monthly benefits and health care provided by each program are very different, though the medical eligibility rules are the same.
