Health Law Cases Materials And

For more than two decades, Health Law: Cases, Materials and Problems has defined the field of health law, providing a balanced overview of law as it affects patients, professionals, institutions, and entities that deliver and finance U.S. health care. The 7th Edition of Health Law comprehensively reviews the provisions of the Affordable Care Act with topics such as the oversight of quality (including the latest developments in patient safety), cost control (including consumer-directed health ...

Health Law: Cases, Materials and Problems, 7th (American ...

While the casebook retains the structure that has served teachers and students so well, the 8th edition reorganizes the health policy and reform materials and the section on state regulation of insurance and managed care to reflect changes in the law and the industry. The ERISA materials are separated into a distinct chapter, and there is a new chapter that provides an overview of the US healthcare system, along with a primer on health economics, insurance, managed care, and the tools ...
