Go to your Starve.io window. Hold down your mouse button. Switch windows when still holding.
(Keyboard short cut: Ctrl+Tab) Release after you switched to the new window. Now you can go
back to the game and find out that you are still hitting. (Also works with walking, follow the same
instructions and hold down W, A, S, D Instead) Have fun :) Good luck!

I realize there are threads explaining why buying RoG is a good idea, however I did not come across
any threads specifically addressing if it was recommended to play RoG activated Don't starve as
your first experience. I'm wondering because I'm not sure if it's overwhelming with the DLC enabled
or it is somehow preferable (in order to appreciate the DLC's new features) to get acquainted with
