Safeguarding African customary law: judicial and ...

Introduction. Legal pluralism is a key feature of African legal systems. The form of pluralism that permeates these systems derives from what is known as the principle of "legal centrism," which holds that all law emanates from the state and that rites developed and practiced by nonstate actors, including religious and customary institutions, are law only to the extent they are recognized by ...

Research Guide: Customary Law in Africa

As part of a broader judicial reform effort, customary courts must be strengthened with greater support from local police who can enforce compliance with decisions. This will require recruiting, training, and deploying more police to provide security to customary law panels and to facilitate the implementation of their decisions.

Safeguarding African Customary Law: Judicial and ...

Customary law is a recognized source of law within jurisdictions of the civil law tradition, where it may be subordinate to both statutes and regulations. In addressing custom as a source of law within the civil law tradition, John Henry Merryman notes that, though the attention it is given in scholarly works is great, its importance is "slight ...

Customary law - Wikipedia

The article is divided into three sections: first part of the paper outlines the place of African customary law in the legal system of South Africa, in order to show its significance as a system of law. The second part of the paper considers the transformation of the customary law of marriage by considering the major features of the Act.

Himonga, C "Transforming Customary Law of Marriage in ...

Bearing in mind that customary law now has its rightful place in the South African legal order, courts should be mindful of the fact that they have the power to develop customary law where it should be developed, rather than having to replace it with common law principles that may be regarded as foreign and hostile to African litigants.
